Alexandria, VA 22313-1450

Sir:

In response to the Office Action mailed 2004 May 18, please amend the above application as follows:

Claim: Please cancel all claims of record and substitute new claim 2 as follows:

What is claimed is:

2. A pulley system which comprises:

a base structure,

a vehicle having a deck,

a spindle having associated bearings,

the spindle being coupled to the deck,

a rotatable drum,

a means for mounting and removing said base structure and rotatable drum from the deck of the vehicle,

two vertical safety brackets
